

## PROARM CONSULTING

*"Safe Practice Best Practice"*

### HOME VISITS AND THE RISKS

- Do you deliver services to home addresses?
- What threats are behind unfamiliar doors?
- Do you know the risks?
- How do you manage the risks?

**WE IMPLEMENT  
PROCEDURES THAT  
REDUCE YOUR RISK!**

- » There are many recent incidents and statistics that highlight the risks to mobile professionals.
- » There is also a growing level of violence within our community.
- » These are indisputable facts and an unfortunate sign of the times.

#### **THE LAW**

The Occupational Health and Safety Act of 2004 states that the employer and employee both have a responsibility to create a safe and healthy workplace.

We understand this law and assist all stakeholders in meeting the requirements.

The easiest and most effective way of reducing risk is to introduce safe practices and effective training.

PROARM'S training and methods are based on extensive experience.

#### 🔍 WE PROVIDE

- ✓ Safety Audits
- ✓ Risk Assessments
- ✓ Incident Investigation and Corrective Actions
- ✓ Customised Real Life Training

We can suggest and help implement changes to your current practices that will provide a safer working environment.

#### 🔍 PROARM IS THE INDUSTRY SPECIALIST

Home visitors and anyone required in the course of their employment to attend private residences will benefit from PROARM training.

Medical service providers, real estate agents, counsellors and mobile bankers will learn how to identify and manage the risks associated with unfamiliar environments.

PROARM prides itself on excellent customer service. We are happy to answer any questions that you may have regarding workplace or personal safety.

OUR AIM IS TO MAKE THE  
**HOME VISIT INDUSTRY**  
**AS SAFE AS POSSIBLE.**
